This test consists of 6 sections. This test will take 15 to 20 minutes.

Please take care of the following before you make the call:

- You may have to take notes. When you start the test, make sure you have a paper and pen/pencil.
- Make the call when you are in a silent and closed environment. Do not make the call from a car or while travelling. The best place to make the call is from a closed room with no other individual.
- If you are calling from a cell phone, do it from an area with good signal quality.
- Make sure you have 20 minutes when you start the test. If your call is disconnected in between due to network problem, you can again call on the same number and resume the test. You have only 2 attempts to resume the test.
